GRAND VIEW

THE "BEAUTY SPOT" OF STRATHCONA

An opportunity awaits you, and possibly the best one that will ever be presented to you. We are offering you River View Property in Grand View Heights at \$100.00 to \$250.00 per lot that will bring without a doubt from \$500.00 to \$2,000,00 per lot inside of four years, as property in the same relative location on this side of the river has done even better than that. Can't you see that in the very near future Ed-monton and Strathcona will truly be "Twin Cities" connected by one or more high level bridges and that property on either side of the river will be about the same price, with Strathcona in the lead as the select residential district?
